

Zero Waste Training

GRRN offers custom onsite trainings as well as at events such as the Resource Recycling Conference, BioCycle, Illinois Recycling and Resource Management Conference and many others. Topics include:

- Introduction to Zero Waste
- Zero Waste Community Planning
- Zero Waste Business Planning
- Creating Ways to Keep Organics Out of Landfills
- Creating Capacity for Organics Recycling: Bans, Policy & Economics

We also host the National Zero Waste Action Conferences:

- [National Zero Waste Action Conference 2012](#), Rockford, IL
- [National Zero Waste Action Conference 2011](#), San Diego, CA
- [GRRN Recycling & Zero Waste Conference 2009](#), Devens, MA
